

SEVEN LIMITED
QUALITY POLICY

Seven Limited markets and supplies a range of products and services to the transport, logistics and property industries. Fundamentally the business is founded on the highest standards of customer service.

The company endeavours to meet all customer requirements and to exceed customer expectations through continually improving the effectiveness of its products and management systems.

This objective is maintained through the ongoing investment in its staff, systems, procedures and policies with an underlying commitment to;

- ✦ Quality performance throughout the service chain

- ✦ Constantly review its products and services to ensure the highest standards are maintained

- ✦ Hold regular review meetings with its customer and supplier base to agree achievements and objectives

- ✦ Ensure that specific training needs are developed

The responsibility for the application of quality is with the Board of Directors with the support of every employee in the company, who through diligence and initiative can ensure the products and services delivered are to the highest standard.
